14 December 2007

In October this year, the music teacher, Ms.Coughlan entered our Transition Year students in “TY Radio”, an initiative for transition years from all schools around the country.

On the 3rd of December, the executive producer of TY Radio spent a day in the school working with the students towards putting together a proposal for the radio programme. The Transition Year students formed their own programmes and broadcasted them taken turns being presenter and sound engineer. It was a hugely enjoyable and beneficial day for all involved.

NUIG 2nd Year Tour of NUIG Access

Second Year students visited NUIG and were given a tour of the College in groups of 5 by current College Students. They were given information on NUIG Courses and College life by these students. A quiz was held after the tour and the winner was ISHA Doyle.
