Re: Substance Misuse Awareness/Information Evenings for Parents

Dear Parent / Guardian,

The Western Regional Drugs Task Force (WRDTF) in conjunction with the Gardai and HSE Western Region Social Personal and Health Education (SPHE) Support Service wish to invite you to a special information evening in the Presentation Secondary School Parents room on Tuesday 20th April, 2010 @ 8.00pm – 9.30pm.

During the evening, The **Gardaí** will present the current situation with drugs in the region, the legal situation and what to look out for.

The **WRDTF Education Worker** will look at communicating with your children about drugs, and will outline the three-session drugs education programme that will follow later.

The **SPHE** service will present on what is happening in the school in SPHE re drugs/alcohol and how this happens.

Refreshments will also be available.

This is an excellent initiative on the part of the above organisations and we would urge you to attend. In order to provide comfortable accommodation for the meeting it would be very helpful to know how many people will be in attendance. For this reason you are invited to fill out the reply slip and return it to reception as soon as possible.

Yours very sincerely,

Clíona O Neill
Principal
